HOW TO FIND THE HOMES GUIDE ONLINE: CURRENT & PAST ISSUES!

1. Go to www.cihomesguide.com
2. Choose a publication from the Navigation Bar
3. Select the thumbnail of current issue (Please note: "View Archived Issues" to access ads of issues past)
4. Once launched, you will have access to the Online Menu Toolbar (Shown Above)

HOW TO USE THE TOOLBAR

SOCIAL SHARE allows sharing your spread as a whole to any social media platform. All online listings are linked to your listings webpage, giving the buyer more information on the listing. Hover over the icon for options. (See below.)

PRINT allows selected pages to print out directly from the online toolbar. All pages are shown and the page to print is indicated by a green arrow on the top corners. Select or deselect the pages you want to print out.

DOWNLOAD PDF OPTIONS allows for downloading the magazine as an interactive PDF in two ways.

Hover over the icon for options.

1. Left Button downloads individual pages. All pages are shown and the page to download is indicated by a green arrow on the top corners. Select or deselect the pages you want to download.
2. Right Button downloads the whole interactive magazine. (See below.)

CROP, PRINT/SAVE allows you to crop out your ad from the whole magazine. Select the area to crop with your mouse. Once selected, the bottom left corner displays two buttons: Print and Save.
